

Some Things to Know When We Are Closed to the Public:

Curbside pick-up is available. Request your materials in advance either by placing holds online or calling the library. If you place a hold on an item, please wait for notification from us that your item is available for pick-up before arranging pickup.

All materials returned to the library are checked in, disinfected, and then quarantined for 24 hours before being returned to the shelves.

Please remember that due dates on your items are to be honored. Please renew online if needed, or call and we can assist you. Returned items should be placed in the book drop in front of the library.

WiFi remains accessible 24 hours a day, 7 days a week, and the password is posted in the window.

For more information, please call us during regular hours, and we will assist you.
